Re: 10 Colin Avenue, Cockatoo

Dear Mr Ladd,

I would like to confirm that I received in todays mail the Frame progress payment request and that I have faxed this to Jenny Lambert at the Bank of Melbourne.

I still have not received a reply to my letter dated 15th May regarding the floor tiles and the possibility of paying for all variations at completion.

I have been to the block on numerous occasions and watching the progress of the frame going up and seeing the house take shape has been great. Thankyou for a first class job and for having the best house to be built on a great block.

Yours sincerely,

Jodi Schaefer
