Dear Chris,

Thank you for your letter dated 27th

August.

Thank you for the upgrade of the internal doors from flush to 4 panel and I agree with you they would be aesthetically more appealing.

Peter and I thank you for this very kind offer and I am sure that we will be happy with the result. We are very pleased with all of the building work that has been done to date and the doors will make it even better.

Thank you,

Trish
