Re: Purchase of Lot 17 Bailey Road, Mt. Everlyn. (House of Glass)

Dear Madam

I respectfully request that a number of minor alterations be made to the specification of the above mentioned home. In which additional moneys will be made available on or before settlement as would be required by your company.

The alterations are as follows;

- a) Change from Westinghouse upright stove model number GUB511W with allowance \$584. To Chef 'Regal' Model number GRTAFW. Wholesale price given by Shane Van Ruth of Clive Peeters, Ringwood, of approximately \$1058. Order must be placed at least 14 working days before required delivery.
- b) Add Additional tiling of 600mm above left hand bench in kitchen looking towards windows and behind proposed stove from floor, doorway, to said height above bench. Tile of same make and colour as used in laundry and bathroom.
- c) Power point will be required to be fitted behind proposed stove.
- d) Change from Vulcan CX90 or Stadt Jupiter 90 ducted heating units to Vulcan Powerhouse HX120. Retail price of unit from Elizabeth of Veetemp, Seaford, of \$1757.
- e) Electronic thermostat for above ducted heating system will be supplied by myself and made available on or before installation of the ducted heating system.
- f) Install 6 core cable between thermostat and ducted heating unit. This allows for future expansion. If this cannot be supplied by the company installing the ducted system, I will supply this also.

I appreciate your assistance in these alterations. Feel free to contact me on 018-545-570 if required.

I wish to take this opportunity to thank you for building such a beautiful and unique home. My family are very excited about the move and I'm sure we will be very happy there.

Best Regards
