

Presbyterian Ladies' College

5 April, 1995

TO WHOM IT MAY CONCERN

I have great pleasure in recommending Harmonious Blend Pty Ltd for any construction work involved in the Childcare area.

Harmonious Blend Pty Ltd built a specially designed Childcare Centre for our College during March to July 1994. Our Centre was of an approximate 45sq building, which was licensed to 51 places. Since its outfitting and opening the College has received continued praise by users, parents, the college community and outside groups associated with childcare facilities about the excellent facility that has been constructed.

Prior to and during the period of construction Harmonious Blend Pty Ltd were made aware and responded to the onerous regulations of Health and Community Services in relation to the Childcare Centre resulting in little difficulty and only minor adjustments needed at the licensing stage. At times Harmonious Blend guided and advised the College as to more appropriate and better techniques for construction and utilisation of the resources of the centre.

I have no hesitation in recommending Harmonious Blend Pty Ltd in any area of childcare construction.

Yours faithfully,

Rod Bowman
