To Harmonious Blend Building Corp.

We moved into our home built by yourselves in August 1993. We have been very happy with the house, and are slowly making improvements to it. Unfortunately,

there are 2 doors in the laundry which do not shut properly, and will probably need to be attended to by a carpenter. We assume

that this is covered by our housing warranty.

We can be contacted after 6pm every night, or possibly during the day on Tuesday and

Thursday on our home phone number (059) 680 128

or on Mon, Wed & Fri at work on (03) 795 4894.

Thankyou,

Sincerely

Sharon O'Sullivan
