Dear Stacey

Re: 50 Yellow Creek Rd, Taggarty.

We thank you for your letter of 31st January and now enclose lock up payment of \$83,300. A receipt in due course would oblige.

Also many thanks for temporary key. We are thrilled with progress to date and notwithstanding any major delays, look forward very much to a speedy conclusion.

I refer to a recent conversation and confirm that we will be going on holiday for the period 27th February to 17th March inclusive. I merely mention just in

case the second last payment becomes due around about this time as both Jack & Leighton have to sign the cheque from the joint account. No doubt you will let us know that this will not be a problem.

Yours faithfully, Sylvia Bilston. P.T.O.
