Hi Chris,

Just a short note to inform you of how pleased both Kim & myself are with the progress of our home.

Recently we had our baby boy "Jack" and all went very well. It is reassuring to both of us that the home is travelling well and has made it easier on Kim knowing that all is well at Baldwin Ave.

Thanks for your efforts and promptness with building our new home, we anticipate the day we can move in and settle down into family life.

Regards,

Shane & Kim Morrison
