Dear Colin/Chris,

RE: 15 Salisbury Ave, Cockatoo

Enclosed are the signed ammended plans and a cheque for the stump allowance variation. We have a meter on our property already, does this mean we do not need to organise water tapping? Could you please let us know as we are confused with what you require(Refer your letter dated 4th October 2001).

I would also like to take this opportunity to thank you both for organising our first stage to be done so quickly and efficiently in order for us to get our first home builder grant which has now been granted to us. We are both very pleased with the works done on our propety to date and are looking forward to the next few stages progressing.

Thankyou,

Stuart & Carolyn Spiers
