Re: Water Tapping Works

Dear Chris,

Thank you for your letter of 16/5/01 re not charging us for the amount over and above the PS allowance for water tapping.

~~This is quite an extra charge for you to take on, so we would like to thank you for approaching Leighton on our behalf.~~

We would also like to say at this stage of construction that we are very happy with all work done thus far - the quality being outstanding.

Perhaps I should let you know, however, that the toilet window has been broken.

Regards,
