

PLEASE NOTE: -

Message to builder from owner.

We visited on the weekend 21/02 August.

Very pleased with works of fixer, tiler & plasterer.

(Unfortunately 1 Bathroom basin should be Almond Ivory

2 Bath needs replacing due to chipped corner (Notified office several times prior to tiling)

3 Chip in laminate kitchen's internal (left corner).

4 Balustrade 2nd/3rd Bedroom end rails require checking into bedroom wall approx 20mm. (Eye from stairs)

5. Please do not install Screens + roof shower as office phoned us approx 1mth ago giving us alternative option which we decided to go with.

Great work so far.

Thanks
