

Dear Kitt and St. in,

Thank you so much for all your help in getting our plans and dreams for living in Mexico. I don't think you realize how much you have given and your tolerance and flexibility in adjusting what looked like an impossible situation. I know Michael and whether we are grateful too.

Love
Barbara Lewis

Dear Pat, Leighton and Lina,

We appreciate your thoughts and your lovely gift for our new home. With many thanks

Regards,

Adrienne + Peter Birch
